Multipurpose electro mechanical operating table is ergonomically designed to bring out the versatility in the operation theater as per the surgical requirement. it is mobile, electrical operated surgical table for Ortho, Neuro, Spine, Cardiothoracic, Vascular, Gastro enterology, Bariatric, PCNL, Urology, Gynec, Lapro, Ophthalmic, ENT and General Surgeries

Electrical

Function

Zero Function

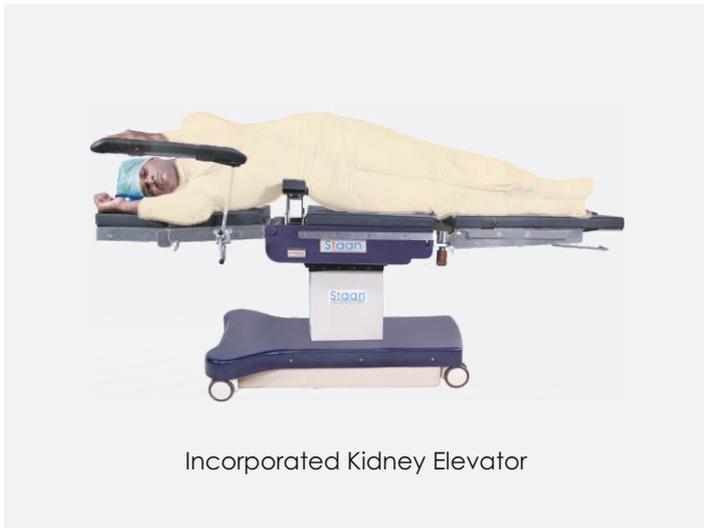

Electrical Brake

Override Panel

Battery Backup

Incorporated Kidney Elevator

C-arm compatible top leg traction attachment

C-arm compatible URS, TURP and Gynecological surgical positions

Cardiothoracic surgical position

Shoulder arthroscopy surgical position

Patient in sitting, neuro surgical position

C-arm compatible knee-chest spine position

Lapro and Gynae Surgeries

## Electro mechanical Operating table

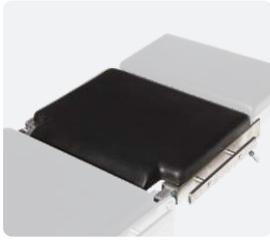

- Modular and stylish design
- Smooth and jerk free movements
- Versatile usage providing maximum comfort to the patient and surgeon
- Blunted corners and smooth edges assures patient and user safety.
- Side rails on both sides
- 200kgs Dynamic weight bearing capacity
- All the material are made of ss 304 and base is covered by molded abs cover for aesthetic look
- Scratch free imported poly urethane twin disc castors
- Self lubricating jerkless, weldless jointless steel column
- Sealed bottom prevents water and dust from entering inside
- The table operates on 220v/5 amps domestics power supply
- Controllers, handsets, cables, actuators, override panels and batteries are all world class

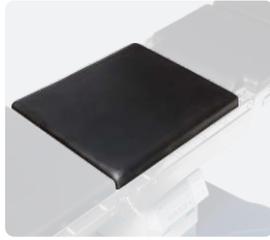

# STANDARD ACCESSORIES

Head Rest

Back Rest

Center Bed

Long urology bed

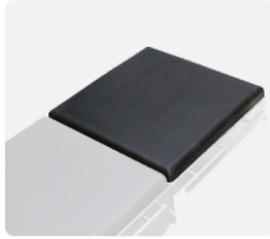

Ortho bed

Leg bed

Additional bed

Pelvic reconstruction bed

Radiolucent Arm Rest

Lateral / Side Support

Anesthesia Screen rod

Lithotomy / knee Crutches

Simple Side end block

Flat clamp

Radial Setting Clamp

Screw tension device

Telescopic traction left

Telescopic traction right

left traction boot

Right traction boot

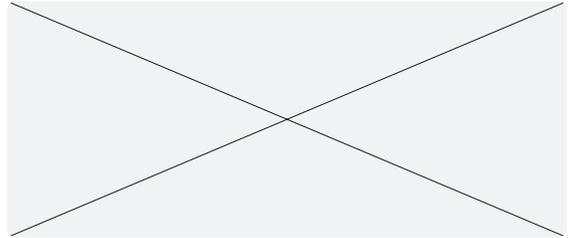

DHS/Femur counter traction post

DHS Extension

Extension bar

Orthopaedic Traction Attachment

Hand Surgery bed

Humerous bed

**Optional Accessories**  
any kind of special accessories  
can be provided as per  
customer requirement

# OPTIONAL ACCESSORIES

Tibial attachment

Steinman pin holder

TKR Accessories

Short urology bed

Femur in lateral

Finger traction

Knee arthroscopy attachment

Shoulder Traction Pulley

Floor support

Shoulder arthroscopy with helmet

Hip Spica

Adapter for arthroscopy and cervical attachment

Horse shoe shaped cervical attachment

Cervical spine attachment with traction

Neuro sitting position attachment

3 pin fixator

4 pin fixator

Knee chest position

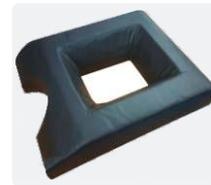

Radiolucent spinal frame

Bow shaped Spinal Frame

4

Prone Position Bed

Bolsters

Kidney bridge

Foot Support

Shoulder support

IV Pole

Long urology bed

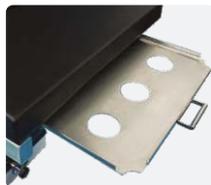

Drainage Tray

Body binder

Wrist binder

X-ray cassette tray with pushing rod

Accessories stand

**Wide range of gel beds**  
for both adult and pediatric

Head ring, horse shoe prone, supine, lateral, leg, arm, heel, full body and more
